

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

**"Dodson's Liver Tone" Starts Your Liver
Better Than Calomel and Doesn't
Salivate or Make You Sick.**

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

A New Home.

The Herald last week bought the brick building formerly owned and occupied by the Bank of Hayti, and as soon as possession can be had will move to its new home. Our building has a solid concrete floor upon which to set our heavy presses and machinery.

Now, that the Herald owns its own home, and such fact shows that it is here to stay, we ask all who can to renew their subscriptions. As fast as possible we are going to make such addition to our printing plant as to have the best equipped plant in Pemiscot county. This spring we are going to St. Louis and buy several new faces of type besides some additional machinery.

In our new home we will be prepared to do any kind of work, nothing being too small or too large for our plant. Recently we installed a four-horse power Fairbanks-Morse oil engine, and as far as power is concerned we have it for any additional machinery to be added. Come along with your work, we need it and you need our services. Let's work together for a better Hayti and a better home paper. Your help is needed.

"Tough luck. I could hardly find work enough to keep myself occupied."
"And now?"
"Now they have given me an assistant."

Sikeston Gets \$20,000 Depot.

Sikeston Herald: The Herald has the information from good authority that the Iron Mountain railroad will in the near future begin the work of erecting a \$20,000 passenger and freight depot in Sikeston. According to the information we have, the new building will be erected on the company's plat of ground just north and west of the present station. It will be of brick, covered with tile, and will have ample accommodations for both passenger and freight. It will be modern in every respect, the equipment to include waterworks, electric lights, toilet rooms, etc.

Married in the parlor of the Slicer hotel, at 8:30 p. m. Sunday, April 9th, W. F. Sexton and Miss Nell Slicer, Rev. Temple B. Anderson, pastor of the First Presbyterian church officiating. The groom is one of Kennett's most prominent young business men and his bride one of Kennett's most accomplished young ladies. Both are members of the county's oldest and most highly respected families, are well known and deservedly popular and begin life with the best wishes of all.—Kennett Democrat.
